DANG'S

Legendary Thai Classics & Fried Chicken

Hello สวัสดีค่ะ/ครับ

Dang's was born in 2024 in an underground restaurant in Spitalfields, with a simple idea: to bring the flavours of Thailand to London, starting with the famous fried chicken of Hat Yai, our founder's hometown in southern Thailand.

But Dang's is about more than fried chicken. Now at the Queen's Head, we're serving a selection of classic Thai dishes alongside our legendary Hat Yai Fried Chicken, all with a little Dang's twist.

Why Dang's?

“Dang” means “red” in Thai, a nod to the colour of our fried chicken. It's also our founder's nickname. And there's one more reason: **our food tastes dang good!**

Our recipes have travelled over 6,000 miles to get here. A taste of our home, from Thailand to London.
